MYSTERY GUN RAFFLE

Special tickets sell 3 for \$20 or an ARM LENGTH of tickets for \$30. The winning ticket is drawn at the end of the evening.

WALL OF GUNS

Each card in a deck of cards will sell for \$20. You get half of the card, the other half goes into the pot for a drawing. As soon as the whole deck is sold, a half-card is drawn from the pot. If your half-card matches the one drawn, you get to choose one of the guns on the Wall of Guns. If all cards in a deck are not sold, half of the proceeds for that part of the deck will be awarded in cash. Cards begin selling at 12noon and decks of cards will be sold during the afternoon and early evening.

WINE & GUN CABINET RAFFLE

From Kelsey's Collection, a wine storage cabinet stocked with 15 bottles of wine. The cabinet has a hidden locked gun compartment and artwork by Terry Redlin – 'Flying Free Eagles at Sunset' – on three sides. Each card in deck of cards will sell for \$20. You get half of the card, the other half goes into the pot for the drawing.

HEARTH CHEST RAFFLE

From Kelsey's Collection, a hearth box for fireside use to store kindling, newspapers, or collectibles. Chest has artwork by Dave Barnhouse – 'Back Home Again' – on three sides. Dimensions 18"x12"x12"; weight 8.5 lbs. Multiple decks of cards may be sold for this raffle. Each card will sell for \$20. You get half of the card, the other half goes into the pot for the drawing. Proceeds from this raffle will benefit the Hunts for Wounded Warriors program.

BINGO GAME, NO LOSERS!

Buy 1 Bingo Card for \$20, 4 Cards for \$50, or 10 Cards for \$100. In this fast game, you have the opportunity of winning either the Browning X-Bolt 3D Maple 300 Win Mag or \$599. This is a Bingo Game but one in which you DO NOT want the number that is being called. If the number called is on your card, you turn in that card for \$20 worth of Raffle Tickets and you are no longer in the game. But as long as the numbers being called are NOT on your card, you are still in the game. THE LAST PERSON WITH NO CALLED NUMBER ON HIS/HER CARD IS THE BINGO WINNER!!

VIP TABLE

You will find eight (8) security envelopes on your assigned table, one for each place setting. As everyone is seated for dinner (~6pm), we will collect the eight envelopes from each table, place them in a box and then draw one envelope. If upon opening the envelope, there is \$20 in it and the number on the envelope corresponds to your table, you and your ENTIRE table will come forward to be seated at the VIP Table. You will enjoy the special VIP dinner menu, take home the prizes, and use the raffle tickets for any of the five Table Raffles. But if upon opening the envelope it contains less than \$20, we will then draw another envelope until there is a winner. So you have a choice ... put \$20 (twenty dollars) in your envelope or you can put less or even \$0 in your envelope. Don't risk causing your table to lose ... *one envelope per attendee; \$20 per envelope*. There is a 2nd place prize drawing for this game. After selecting the winners for seating at the VIP Table, the next envelope drawn containing \$20 will determine the table winning \$100 worth of raffle tickets for each person seated at that table. The tickets can be used for any of the five Table Raffles.
