### Observations and Comments

by Vincent Migliori, Membership Chairman

On February 28 members from our chapter went to Albany to show our support against the SAFE ACT. You had a choice of waiting in line for well over an hour to be screened or just walk about the buildings and outdoor plaza. In the two pictures are chapter members Bruce Weakly, Dominick Aiello, Dick Hazard and myself. We personally thanked Senator James L. Seward and Assemblywoman Claudia Tenny for the opposing votes and support for the 2<sup>nd</sup>. Amendment. We just missed Senator Joseph A. Griffo but left our gratitude and thanks with his staff. George Franke also had a list of legislators to contact. Because of the thousands of people and the session schedules of the legislators it was very difficult to visit all on our list. The other 16 Senators and 42 Assembly members who voted "Nay" also have our thanks. At the rally and capital area there was a strong and visible present of New York State Troopers, Albany Police and other enforcement agencies. They certainly were not needed for crowd control because this rally had the most respectful, patriotic, courteous, and God loving people. I saw no incidents of confrontation or remarks of disrespect among the participants. Only unified remarks of protest against Cuomo and the SAFE Act. The speakers were given silent time from the audience and then sincere, passionate applause and loud vocal support. When the National Anthem was beautifully song you could have heard a pin dropped. We in the crowd were not the bad guys. One hour after the rally we were walking past the empty plaza. No one was present, but what you saw was no debris. Nothing was on the ground, nothing. The provided trash receptacles were full, but nothing else anywhere. Whatever people brought they took back with them. All these are observations from a crowd that were made criminals with a stroke of a pen.

On January 19 the first rally to stop the Governors SAFE Act was held in Albany. The crowd was fired up. The speakers were inspired. The only problem is the crowd was too small. The crowd on February 12 was even smaller. Unlike the other side, we are all busy with jobs, families, and pastimes, but if we don't overwhelm Albany with bodies and signs our rights and freedoms are DOOMED!! Cuomo is serious, are you?

## Passing it on!

By Ron Meek

The Rockdale Rod and Gun Club has been Passing It On to Youth for 10 Years! The Adirondack-Catskill Chapter SCI joined us in this YOUTH DAY a few years ago and it has only gotten better!

We moved our Youth Day to April for a couple of years and saw that there was just too much else going on at that time of year to draw good numbers. This year we moved it back to Presidents' Day Weekend and the turn-out was great!

53 youths and their crew had a super time! Events included Air-guns, Laser Shot, Fly Tying, Turkey Calls, Game Identification, Archery, Cross Bows, Ice Fishing and a DEC K-9 Demo! The cold of winter was kept away with an endless pot of Chili, hot chocolate, hotdogs and hamburgers! Each youth received a door prize and a youth gun drawing was held with a .22 Cricket as the prize!

We stress getting involved with the outdoors. This year we pointed out just how important it is to keep your parents and others up to date, with the political environment we live in.

From what I/we saw — the future is bright for these youth and their families!

*Special Thanks go to: Rockdale Rod and Gun Club, Adirondack-Catskill SCI, Trailblazers NRA, NYS 4H Shooting Sports, Chenango Trout Unlimited, Robin Perry Turkey Calls, SCI Sables, Josh Sheldon, ECO's Bret Armstrong, Jamie Powers and K-9 Nitro, Steiner Meat Packers and ALL the Parents and such*

## Norwich, NY Archery Program

Tons of excitement surrounding the Archery Program. All 460 students at the Middle School (grades 6,7 and 8) will be or are currently engaged in the Archery Unit this year and we are also running it as an extracurricular for the month of February for students to get more than their allotted PE time. The pics reflect some of the skillsets that our students are learning and only an archer's eye will be able to understand what I mean.

PE teacher's have commented that students have said things like:

"we should have done this unit before December because I would have asked for a bow for Christmas"

"when are we going to Kentucky (referring to the national competition)"

Thanks for all of your help to get this up and running at our school. This experience is one of those life skills that a state test can't measure yet is most valuable in my opinion.

Take care.

Scott Ryan Norwich Middle School Principal

*The HS is providing archery instruction as an elective outdoor adventures class this year. It will reach 52 students. I have been told that planning is underway to expose a much larger number of students to this program for months to come.*

## AC SABLES News

By Robin Jerauld

**Interested in a youth day in your area?** AC SCI & SABLES are interested in partnering with local sportsmen groups to set up or expand current youth days. We need to spread the word on conservation and the role of hunting in wildlife management. We need to spread the word on the safe use of bows and guns in shooting sports. We need to get out and promote what we know is the right attitude towards shooting sports and our heritage to enjoy such sports. Contact Robin Jerauld at [rjerauld@toast.net](mailto:rjerauld@toast.net) or 607-643-1978.

## **Catarosa Ranch in Texas Hunt By Larry Steiner**

In October 2012 I hunted with the Catarosa Ranch in Texas successfully taking a fine whitetail deer and my first javalina. I saw many trophy whitetails on the hunt. I highly recommend the Catarosa Ranch and want to thank Frank Mazza the owner and Tom Aasbo the manager for providing donated hunts for our fundraiser and especially for helping the chapter in our Hunt's for Warriors project.

**We will be having seed corn available for planting for wildlife habitat again this year. Contact me to order your corn. Larry Steiner**

Daryl did a great job putting together our 30 day raffle. 427 tickets were sold and the chapter made around \$5500 to be used for education, stewardship, and advocacy toward our hunting heritage. Kids will go to camps, learn archery and attend youth days, wildlife science will be conducted, and politicians feet will be held to the fire because of these funds.

Thanks Daryl for your efforts and thank you all for buying a ticket.

He was hunting with the Hazard boys: Dick, Richard, Jeff and other chapter members Jim DiGristina, Tom Jensen and Vinny Migliori. The hunt was with Peter Martin, Kapriver Outfitters, Kapakasing, Ontario. Peter donates hunts to our fundraiser.
